THE NEW JUSTICE

Governor Cone's appointment of Judge Alto Adams as the seventh justice of the Florida Supreme Court gives St. Lucie County the unusual honor of having two members of that body.

Judge Adams and Judge Elwyn Thomas are both able men each having made enviable records as circuit judges, and the matter of residence is, not highly important, other things being equal. Judge Adams will be the youngest member of the court and one of the youngest men ever to have taken a seat on the supreme bench in this State.

At 41 he has achieved unusual success in his profession, as well as having been active in business and public affairs. A native

of Walton County, he obtained his law degree at the University of Florida, and practiced at Pensacola for three years before going to Fort Pierce in 1921. He served as vice-chairman of the State Welfare Board under appointment by Gov. Cone for nearly two years, held the presidency of the State Bar Association in 1937 and was district deputy exalted ruler, Florida East Coast District in 1935. He also is prominent in University of Florida alumni activities.

When Judge Thomas resigned as judge of the Ninth Judicial Circuit, to go to the Supreme Bench in 1938, Judge Adams was appointed to succeed him. He had no opposition for the nomination last spring. In addition to his wide legal and judicial experience, Judge Adams possesses a State-wide outlook that should stand him in good stead in Tallahassee. Among lawyers he is respected for his sound common sense and liked for the kindness and consideration that mark the conduct of his court.

St. Lucie County may well be proud of her new Supreme Court justice. One born in North Florida and the other in South Florida, both have climbed to the top by their own efforts and are a credit to their native State. For that reason other counties are not to begrudge St. Lucie the exceptional honor that has come her way.—Palm Beach Post.

Here Are a Few Things That Happened

15 Years Ago In The Glades

and Were Recorded by The Everglades News

C. Eugene Smith has resigned as a city commissioner of Moore Haven because he has moved from that place to Pahokee where he will be the manager of the Kilgus Seed Company's East Branch branch house.

Professor H. L. Speer holds what he believes to be the record for channel catfish caught in this section of Lake Okeechobee. He caught a 17½ pounder Saturday night on light tackle from the canal in front of the Glades Hotel.

Harold S. Smith, son of W. W. Smith, and Roy Sornborn of Hubbardtown, Michigan, arrived last week to spend the winter. They drove down in a little less than six days.

Mr. and Mrs. R. J. Simonson and daughter of Litchfield, Illinois, arrived last week to spend the winter. They drove down in a little less than six days.

Beautiful Homes Near Completion

The fine new homes of the Messrs. Sam Chastain and R. O. Johnson, Jr., on Bacon Point road, are fast approaching the point of completion. They are magnificent homes and are real additions to that fast building home section of the city.

TOMATOES NIPPED
 Felda's tomato and cucumber crop was nipped to about a 10 per cent loss as a result of the recent early frost. Growers have around 400 acres planted to crops in that section of Hendry county.

Attend Singing Meet In Boynton

Mr. and Mrs. Gene Butler, assisted by Olin Stewart and Chas. Butler, attended the session of the Palm Beach Singing convention at Boynton, Sunday, and report a very well attended and pleasant time. The December song will be held at the Baptist church at Belle Glade on the fourth Sunday in December, the 22nd, at which time a Christmas song celebration will be staged.

Eagle May Be Back In Line-Up

Otis Smith, one of the crack players, men of the FLB Eagles, sustained a leg injury in the Pahokee game, which has kept him out of the last three games. He may be able to play in the closing game against Vero Beach.

Lutz Adds Another Entrance

Kenneth Lutz, Belle Glade pharmacist, is improving his store by placing a new entrance on the west side of the store room in the space formerly used for his magazine racks.

Quarterly Meeting Scheduled Sunday

Dr. W. W. Meredith, superintendent of the West Palm Beach district, will be in attendance at the evening services at the Pahokee Methodist church this coming Sunday night. At this time Dr. Meredith will conduct the second quarterly meeting of the current conference year, and delegates will be elected to attend the coming district conference session at Ft. Pierce on December 12th.

Bratley to Attend State Convention

Mr. and Mrs. Hugh J. Bratley, of Belle Glade, contemplate visiting in St. Petersburg, December 6-8, where Mr. Bratley will represent the Everglades Federal Savings and Loan Company as a delegate to the annual convention of the State Federal Savings and Loan Company Association.

Niblets Strain Is Being Developed

On lands near the Speer farm, on Bacon Point, there is an interesting corn propagation project, which is being sponsored by the Minnesota firm which cans and markets "Niblets." The test is to propagate a strain of corn which will produce a superior packing corn.

Singers To Visit Fort Pierce Sunday

A number of music lovers from the Glades section, this coming Sunday, will attend an all day session of the St. Lucie county Singing convention, at Ft. Pierce, at the Legion hall. Arrangements are being made for a picnic dinner at the noon hour. Singing groups from Georgia, north Florida, and surrounding counties will be present to participate in the program of the day.

MOVE TO MIAMI

Mr. and Mrs. S. M. Beatty, and four children, who have been making their home in Canal Point, on Saturday moved to Miami. Mr. Beatty has secured employment in "hush-hush" on one of the big farming ranches.

Lake Worth Falls Before Blue Devils By A Score Of 33-13

Peacock Runs Wild To Carry Ball Over Five Times

A highly touted Lake Worth Trojan team came to Laird Field Wednesday night for the pre-Thanksgiving evening game with the Blue Devils, and apart to get a victory if possible, and they did it up a strong, well played battle against the Hobsonville team who won 33 to 13.

By the ease with which the visitors made their first touchdown, by a long march down the field in the initial kickoff, before Peacock ever had the ball on the offensive it looked as if their advantage might be realized.

But, there was something in that Peacock team which they had not solved, and that was the fine support which had been built up around Calvin Peacock, the ace scorer of the team. Only words of praise can be given the Peacock team for the manner in which they made it possible for Peacock to put on his most spectacular work of the season, in every manner of play. Peacock had the Trojans guessing all the way by his triple threat play.

Pahokee won the game by a score of 33 to 13, and Peacock scored five touchdowns, converted two points after touchdowns, and handed a pass to Bridges, for another conversion point. Pretty good work was the consensus of opinion of the big crowd which witnessed the game. This scoring brought Peacock's point record up to 100.

Pahokee displayed miserable form against the Trojans in the first portion of the first quarter, when the Trojan team scored their first touchdown by a 60 yard march down the field, they took in hand and from thereon were the dominate factor in the game, displaying Lake Worth.

Pahokee got a break when a kickoff fumble was recovered, Peacock got the ball on the first play, scored the first end for a 45 yard run for a touchdown, which left the score 6-6 at the end of the quarter.

Peacock scored his second touchdown a few minutes after play in the second quarter when the ball had been carried to pay dirt territory, by a nice end run, scoring over the line standing up. He scored the extra point.

Pahokee got the ball on Lake Worth's yard line, and here Peacock brought the play through the crowd in the feet yelling like wild men. Peacock found an opening in the left side of the line, played to get an open field, and ran down the field 60 yards for a touchdown without an opposing player laying hands on him. Conversion failed.

In the third quarter, after Peacock had the ball on the Trojan's 45 yard line, Peacock again got around right end and went for another touchdown and conversion. Peacock scored his next touchdown by a line play and threw a pass to Bridges for the conversion point.

Lake Worth scored its second marker in the last quarter after working down field and Pissell carried it over for the counter. Peacock was knocking at the goal line for another touchdown at the ten yard marker, when the final whistle blew.

Gridiron Sparks. Lake Worth was confident that they could stop Peacock, but the record tells the story.

All three members of the County Board of Public Instruction were in attendance at the game, as was also Sup. John I. Leonard, and they all agreed that they had seen a pretty good football game, although Engram, of Lake Worth, did have to take some good natured chaffing from his other board members.

Sup. D. D. Caudill reports that the benefit game at Laird field, last Friday night, brought in \$250.00 for the band uniforms. He extends appreciation to the patrons for their fine support of this worthy cause.

The final game of the season for Pahokee comes on next Thursday night, when the arch rivals of the gridiron, the Wildcatters from West Palm Beach come for the annual game. This game will no doubt bring the largest attendance of the season, and there should be plenty of action and fireworks in the game. To date Pahokee has scored 230 points to its opponent's 80. This includes five wins, three defeats and one tie. Pahokee has lost to Palm Beach, Lauderdale and Ft. Pierce, and tied with Mulberry in the opening game of the season.

Present Play At Methodist Church

The Young People of the Pahokee Methodist church have charged the drama, "The Iron Circle," and the program last night was a play entitled "The Iron Circle," also cast for which had been rehearsed for some time. Who is the Director of the Young People's work?

The plot concerned two high school boys, who were rivals and not too good friends, who became involved in a brawl after a football game, which was also brought in the parents to a hearing at the principal's office.

Those who took part in the play presented themselves with creditable delineations of the parts taken by them, and the audience was very much interested in the outcome, which of course had the customary satisfactory ending.

Those who appeared in the cast were: Tim, the janitor, Dick Guise; Dorothy, Carpenter, the principal's secretary; Jordan Parker, the principal; the two belligerents, Dick Branch, Ross Blech; Tom Powers, Mike Sanders; Brent, Dick's father, Melvin Spooner; Mr. and Mrs. Powers, Tom's parents; Roy Michael and Elizabeth Guise.

So successful was the play, that the same group with others, may soon be rehearsing another drama.

Facts About State Institution

Floridians as a whole may not know a great deal about its mammoth state institution at Chattahoochee, but there are some figures that have been dug up newspapermen. The institution is in both Florida and Georgia, and consists of some 5,000 acres and houses some 4,500 patients. If the property were to be replaced today, it would cost \$15,000,000. The monthly pay roll ranges up to \$45,000. Some of the buildings on the farm are more than 100 years old. Three navigable rivers flow through the State of Florida, Chattahoochee and Apalachicola, the latter being formed by the junction of the first two, at River Junction.

Canal Point Juniors Win From Pahokee

Spectators also witnessed the tackle football game between the Canal Point and Pahokee teams at the Canal Point field, last Thursday afternoon, when the Canal Point team won by a score of 12 to 6. The game was one of the best games they ever witnessed, and the last quarter finish was a whirlwind. The half ended with the score 12 to 6 in favor of Pahokee. No score was made in the third quarter, and with but a few minutes to play in the final quarter, there began to happen fast and furious, ending with Canal Point the winner by a 12 to 6 score.

Altman threw a beautiful pass to Stokes, who scored on the play. The game went through the conversion point. Pahokee evened up with three passes by Batchelor, to Gillen. Then Branch caught the kick-off, ran and laterally to Altman, who ran down the side line for a thrilling 62 yard run and touchdown.

The game showed that there were some mighty fine future football players coming-on for the Blue Devils. The game was rough, and two of the players were ejected from the game.

raised Worshipful Master Kelly nine years ago.

District Deputy Grand Master Lenderman, in his appropriate address of felicitation and instruction presented to the Worshipful Master the dispensation charter, under which Belle Glade Lodge will operate. The chair made a pleasing response.

That Grand Master Kishpough also made one of his interesting talks, in which he set out to me of the pitfalls which usually come to new lodges, and urged that these be detoured in Belle Glade Lodge.

An hour of speech making was enjoyed in which the visiting Worshipful masters, able Judge C. B. Donnell, Chester Wright, Herbert Beck, John M. Giedlich, Frank

Anderson, Judge Burbuck, George McLarty, Wendell Lyons, W. P. Risk, J. G. Weeks and S. G. Drake, of Willoughby, Ohio, participated.

Light refreshments were served and a social hour enjoyed.

Belle Glade lodge will hold its regular communications on the second and fourth Tuesday night of the month, at the Joe Cherry home on the Chosen road, where a small but attractive hall has been fitted up for present use. The lodge has purchased a temple site on South Main street next to the Belle Glade Lumber Company, on which it plans to erect a business block and temple in the near future.

Arrangements have been made for the conferring of degree work, reception of members on demits and plans to have a charter list of around 100 to present to the

Grand lodge in April, when its application for a permanent charter comes up for action.

Tabb's St. Theresa Squad Wins Over B Team In Pahokee

Band Benefit Game Is Well Attended Friday Evening

There was color galore at last Friday night as Don Tabbs' clever St. Theresa team from Coral Gables, was decked out in the brightest of yellow and green

uniforms, and met Hobson's little Blue Devils. The new Pahokee high team strutted the field with matty blue and white uniforms. Even the cheer leaders added color to the picture.

Patrons had expected a better played game than they witnessed, for the Blue Devil reserves displayed no punch or scoring power, and the Musketeers outplayed them all through the game. Pahokee was never nearer the enemy's goal line than the 20 yard line mark.

The Gables team had a strong line, which gave its star half, field man, Williams and Blake, opportunity to display their fine work.

The only score of the game came in the second quarter, when the Musketeers got the ball on Pahokee's 22 yard line. The visitors took up a steady march down the

field, uncorking some skillful and pretty passing and running, when Williams went over for the touchdown. The conversion point was a pretty one straight through the goal posts.

It was a mighty proud moment for the school band when it paraded down the field in their striking and beautiful uniforms, and how they did play and drill, with Drum Major Dick Guise the squire of all eyes. Pahokee High with this outfit is now on an equality with other nearby high schools of the section, and another year they will be playing as well as any band of the group.

The Mother's club saw it that the visitors were given a light meal before the game, and both teams had a swell dinner at the close of the game at the school cafeteria. Later both teams were

guests at the American Legion dance, which was given as a band fund benefit.

The Central Amusement Company, this week, has its carnival outfit at the Legion field, and the band uniform treasury will benefit by a percentage of the week's income from that source.
